U.O,No.230/[illegible]. dated,the 2nd September 1936, from the Comptroller to the Government of Mysore, to the Financial Secretary to the Government of Mysore.

Extract from the Railway file relating to the deputation of Mr. V.T. Srinivasan to M.S.M and G.I.P. Railways.

xx xx xx

28 I since understand that the system of audit and accounts in the G.I.P. Railway which, prior to resumption by theGovernment of India was a guaranteed Railway is largely analogous to that of M.&.S.M. Railway, therefore the deputation of Mr.V.T. Srinivasan to the G.I.P. Railway may lie over.

29 As however Mr.V.T.Srinivasan is going to Madras for studying the system of Railway Accounts, I think opportunity may be taken to depute him now alone to the Accountant General's Office also for a period of three months to study the methods of work re. audit and accounts followed in the Accountant General's office. The practice of such deputations to the Accountant General's office which had been suspended as a measure of economy may be revived and sanction accorded to the deputation of Mr.V.T.Srinivasan to the Accountant General' Office for a period of 3 months. Action may kindly be taken to move the Hon'ble the Resident in Mysore and the necessary sanction of the Government of India for the deputation of this officer for a period of 3 months from about the middle of December 1936 may be kindly obtained so that the same may be in continuation of his Railway training.

30 Coming to the source for meeting the cost of this deputation, the intention of Government as I understand is that a attempt should be made to meet the cost from out of the total of sanctioned grants. As, however, Mr.V.T. Srinivasan is proposed to be deputed for studying the general system of audit and accounts in the Accountant General's office also, the expenditure for the period of his Railway training may be me

met by the Railway department and that for the period of General training in the Accountant General's office may be met out of the sanctioned grants of my office.

Financial Secretary's note dated, the 8th September 1936.

31 I agree with the Comptroller. The Agent may be informed that the deputation of Mr.V.T.Srinivasan to M.&.S.M. Railway Audit Office is considered by Government as necessar

Approved by the 2nd member (Vide linked file) W

32 The deputation of Mr.Srinivasan to the A.G's office Madras instead of to the G.I.P. Railway office may also be approved. In a communication received from the G.I.P. Railway separately they have said that Ry.Board permission may be got for such deputation. In the circumstances mentioned by the Comptroller this deputation to the G.I.P. Railway may be dropped. About this separate action will be taken in another file.

34 The Comptroller's proposal is to depute Mr.V.T.Srinivasan to the Accountant General's office at Madras also for a period of three months to study the methods of work regarding audit and accounts in that office. The deputation of selected Gazetted officers and Superintendents to study improved methods of work adopted in British Indian Account offices, occasionally was approved by Government in Order No.F1 11-14 R F 3-27 dated 9th October 1927, This scheme was supended in G O No.F1 C 18-19 G F 86-31-1 dated 24/26th October 1931, as a measure of economy. The Comptroller suggests that this may be revived and the deputation of Mr.V.T Srinivasan for a period of three months ~~is~~ sanctioned. This may perhaps be sanctioned. He may ~~be~~ perhaps be asked to study also the methods of work in the offices of the Examiner,Local Fund Accounts, Postal Audit office,Public debt office and Financial Secretariat, as was done by Messrs Raghavachar, ~~&~~ Subramnayam etc.

FINANCIAL BRANCH 374 28 JULY 1936 GENL & REV. SECTT.

To

The Financial Secretary
to the Government of Mysore,.
Bangalore.

SIR,

Q In inviting kind reference to Government Order No.Fl 8382-3/G.F. 436-35 dated 25-6-34 sanctioning the deputation of Mr. M. Viraraj Urs, B.A.,B.L., to Madras to study the system of accounts and audit in the M. & S.M. Railway, I have the honor to state that as the open mileage of Railways worked by our Government will increase with the resumption of the Bangalore-Harihar and Yeswantapur-Hindupur Lines from the M. & S.M. Co., in the very near future, it is absolutely necessary to get one of our younger officers trained in the Railway accounts and audit work in Foreign Railways sufficiently well both in a State Railway and Company worked Railway so that the work in our Railway Audit Office, which is expected to increase considerably by the said resumption may be efficiently and ably supervised and managed. I, therefore, propose that Mr. V. T. Srinivasan, B.A.,B.Sc., Assistant Auditor may be deputed to study the system of accounts and audit in the G.I.P. (a State Railway) and M. & S.M. Railways (a Company worked Railway) at Bombay and Madras for a period of three months in each Railway.

2. During the period of deputation Mr. V.T. Srinivasan may be allowed a consolidated monthly allowance of Rs 100/- per month for both the periods and the total cost on account of his training in foreign railways being borne by the Railway Audit Office. The total cost of the deputation is likely to be about Rs 3500/- and the Auditor will be asked to meet it from the Budget to the extent possible and apply for an additional grant later on if absolutely necessary.

3. I therefore request very early sanction of Government to the above proposal. Necessary further action will be taken by me on receipt of orders sanctioning the deputation.

4. I may also mention in this connection that I consulted Mr. S. Shamanna, Financial Secretary just before he went on leave recently and he was also of opinion that a deputation of this officer now was -- quite necessary.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.
